

Brennan Pinot Noir - 2020

Brennan's Pinot Noir composition and expression is inherent to our estate vineyards in the Gibbston district of Central Otago. This Pinot Noir is an expression of the richer yet elegant side of Gibbston that you may find in the valley. Based on intimate knowledge of the vineyard and specific barrel selection, we find brooding characters that grab your attention and have the potential to cellar for many years to come.

Savoury notes of autumn briar, strawberry compote and a mineral austerity on the nose shows one of the more brooding wines we have made in recent years. The palate is refined with subtle notes of wild thyme, stone fruit and wet schist after a rain. The wine finishes with a structural tension showing power and elegance and will benefit from time in the glass or years in the bottle.

- Clones: Cl5, 115, 667, 10/5, Abel
- 20% Whole Cluster.
